Special Goals

PÂTISSERIE

Products

Croissant

A kind of French bakery rich in butter

In Devon, it relies on butter 100%.

Some fillings are added while baking, including white cheese, yellow cheese or thyme, or baked without them as a kind of plain croissant.

PÂTISSERIE

Products

English cake

It is of English origin, and it is known that it is served with the tea in the morning It is produced in Devon Bakery daily in three flavors: The original English cake, lemon flavor and chocolate.

PÂTISSERIE

Products

Muffin

It is cake but distributed in small, elegant and equal portions. It is available in Devon Bakery in three different flavors: Chocolate, cinnamon flavor and vanilla flavor with blueberries

PÂTISSERIE

Products

Sandwiches

Devon makes sandwiches with different contents, including a special mix of chicken, smoked beef, turkey breasts, three cheeses, Halloumi cheese, and tuna. It also uses the finest types of cheese.

What distinguishes Devon sandwiches is the use of uncommon types of bread, including: focaccia, Panini, and Chibata, Baguette, including white with Oregano and brown.

PÂTISSERIE

Products

Brownie

It is a kind of chocolate-rich cakes. It is famous in America and spread around the world.

It is baked in Devon bakery with the finest Swiss chocolate to be ready for our customers.

PÂTISSERIE

Products

Cookies

It is a round piece consisting of wheat flour and sprinkled with chocolate grains. It is one of the desserts originating from Persia and moved to Europe through the Islamic conquest of Andalusia. Then it moved to America. It is available in two types of white cookies and chocolate cookies.

Type of Bread

Panini Bread

It is also an Italian bread , It is also known in America and of course they knew it from the Italians. It is characterized by delicious and simple taste.

Bread

Focaccia Bread

It is a kind of famous and delicious Italian bread, which is characterized by a wonderful and distinctive taste with oregano. You can also order Focaccia bread with or without meal.

French bread or Baguette

It is a French bread, known for its large size and shape, It has been reformulated in Devon to become a suitable size for making the sandwich with the addition of oregano in its white version, as well as the brown.

Bread

Chibata Bread

It is one of the Italian types of bread with delicious and wonderful taste and contains fresh olive slices.

* We are also pleased to offer all kinds of bread without fillings.

Also

Storage

It is preferable to store Devon products in a cool and dry place with a temperature not exceeding 15 degrees Celsius to maintain the best quality of the product.
